Dear Sir:

Please amend the above application as follows:

IN THE CLAIMS

Please amend the claims as follows:

1. (Previously presented) A modular living enclosure for occupancy
by a person, comprising a plurality of molded plastic enclosure
sections that are assembled to define an enclosure floor, four
upright side walls, and a top wall and a door opening when
assembled, wherein multiple lower ones of said enclosure sections
define said floor and portions of said four upright side walls,
multiple top ones of said enclosure sections define said top
wall, and multiple other ones of said enclosure sections are
disposed between said lower ones and said top ones to define
remaining portions of said four upright side walls, said
enclosure sections each having a wall with an abrasion resistant,
ceramic particulate-filled resin layer defining an interior
surface of said enclosure.
